End of Sale and End of Life for Viz World Classic (Viz Curious Maps)

Vizrt on 10 August 2021 announced the end-of-sale and end-of-life for Viz World Classic (Viz Curious Maps) application (all product versions). The last day to order Viz World Classic (Viz Curious Maps) was the 30th of November 2021.

Customers with active support and maintenance contracts will continue to receive support from Vizrt until Q2 2028 (*revised 6th October 2025*). Special customer agreements may supersede this notice. End of Support has now been pushed to Q2 2028.

(Revision 6th October 2025)

We are postponing the end of life to Q2 2028 to ensure customers remain fully supported during the transition to future functionality. Vizrt constantly strives to deliver the best solutions to our customers, and continued support for Viz World Classic (Curious Maps), while we develop a new mapping solution, is an important part of this strategy.

We expect to have the new solution available for customers to buy in 2026.

Table 1 describes the end-of-sale and end-of-life milestones, definitions and dates.

Table 2 lists the affected products and items.

Table 1. End-of-Sale/End-of-Life Milestones and Dates for Viz World Classic (Viz Curious Maps)

Milestone	Definition	Date
End of Sale Date	The last date to order the product as part of a purchase order from Vizrt. The product is no longer for sale after this date.	30 November 2021
End of Software Maintenance Releases Date	The last date that Vizrt may release any final software maintenance releases or bug fixes. After this date, Vizrt will no longer develop, repair, maintain, or test the product software.	Q2 2028
End of New Service Attachment Date	For equipment and software that is not covered by a Support and Maintenance contract, this is the last date to order a new service-and-support contract or add the equipment or software to an existing service-and-support contract.	Q2 2027
End of Service Contract Renewal Date	The last date to extend or renew a Support and Maintenance contract for the product. The extension or renewal period cannot extend beyond the last date of support.	Q2 2027
Last Date of Support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	Q2 2028

Table 2. Products Affected by This Announcement

End-of-Sale/End-of-Life Product Name and Code	Product Description
Viz World Classic – VCM-VWC	Viz World Classic (Viz Curious Maps) is the fastest, most versatile and cost-effective way to create quality maps and geographical animations for TV and video.
