End of Sale and End of Life for Viz Vectar version 1.0.2 and all older versions

Updated: 10th of June 2021

Vizrt announces the end-of-sale and end-of-life for Viz Vectar version 1.0.2 and all older versions. The last day to order Viz Vectar is the 30th of September 2021. Customers with active support and maintenance contracts will continue to receive support from Vizrt until the 30th of September 2023. Special customer agreements may supersede this notice. Table 1 describes the end-of-life milestones, definitions and dates. Table 2 lists the affected products and items.

Table 1. End-of-Life Milestones and Dates for Viz Vectar

Milestone	Definition	Date
End-of-Sale Date	The last date to order the product as part of a purchase order from Vizrt. The product is no longer for sale after this date.	30 th of September, 2021
End of Software Maintenance Releases Date	The last date that Vizrt may release any final software maintenance releases or bug fixes. After this date, Vizrt will no longer develop, repair, maintain, or test the product software.	30 th of September, 2023
End of New Service Attachment Date	For equipment and software that is not covered by a Support and Maintenance contract, this is the last date to order a new service-and-support contract or add the equipment or software to an existing service-and-support contract.	30 th of September, 2022
End of Service Contract Renewal Date	The last date to extend or renew a Support and Maintenance contract for the product. The extension or renewal period cannot extend beyond the last date of support.	30 th of September, 2022
Last Date of Support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	30 th of September, 2023

Table 2. Products Affected by This Announcement

End-of-Sale Product Name and Code	Product Description
Viz Vectar Standard (PKG-VECTAR-STANDARD)	Viz Vectar live production system. IP native software switcher with 44 inputs and 35 direct IP outputs. 8MEs, 4 full mix outputs and support for up to 4K 60P production. Includes Vizrt dual row panel and 3x Vizrt SDI IO modules. Panel size upgrade and hardware redundancy optional.
vPCR Premium Annual Subscription (VPCR-PREMIUM-ANN-SL)	Live Production Premium gives you flexible access to switch and mix video and audio from any source and deliver to any output. The software can be deployed to physical or virtual infrastructure controlled from anywhere. · Switching, transitions, and effects · Aspect ratio, frame rate, and resolution independence up to UHD 2160p60 (only for Vectar Plus) · up to 44 IP inputs and 8 HD/2 UHD IP Mix Outputs · Media recording and playout · Multi-channel audio mixing with audio format and application connectivity · Standard graphics with control of separate Vizrt graphics systems · Video conferencing call application integration · Audio application integration through NDI · Multi-version program outputs · Remote software and hardware panel control Also gives you access to full-featured market-leading graphics capability. - 4 Vizrt outputs (2x Integrated in Video Mixer) - 1 concurrent control clients - IP or legacy; SDI, NDI or ST2110 input and output - No software limitation on number of input sources - Full clip playback support - DVE and low latency video texture support - More than 300 standard plugins"
vPCR Premium Monthly Subscription (VPCR-PREMIUM-SL)	Live Production Premium gives you flexible access to switch and mix video and audio from any source and deliver to any output. The software can be deployed to physical or virtual infrastructure controlled from anywhere. · Switching, transitions, and effects · Aspect ratio, frame rate, and resolution independence up to UHD 2160p60 (only for Vectar Plus) · up to 44 IP inputs and 8 HD/2 UHD IP Mix Outputs · Media recording and playout · Multi-channel audio mixing with audio format and application connectivity · Standard graphics with control of separate Vizrt graphics systems · Video conferencing call application integration · Audio
